- Technology

Ashvini joined Leadership Resources following a diverse career in Law, HR and Performing Arts. She began her career as a lawyer in New Zealand before transitioning to the Canadian tech sector, specialising in Legal, Finance, and Cyber-security Engineering recruitment. An avid dancer from young, she has been dancing for over 20 years and has taught dance professionally since 2017, specialising in adult learners.

As a licensed facilitator of “The 7 Habits of Highly Effective People”, Ashvini is passionate about empowering others to reach their potential. Drawing on her diverse background and engaging presentation style, her sessions bring a unique blend of experiences and perspectives to the table.
