Sathiyam brings a wealth of experience and diversity garnered from his 21 years of experience from the corporate world and 14 years of experience in training, consulting and coaching industry with FranklinCovey faculty.

Sathiyam believes that the key for team motivation is through enable them to win systematically. Without execution process and system, business planning is just a pointless annual ritual.

The 4 Disciplines of Execution (4DX) has been his forte and an integral part of his repertoire throughout his career in Leadership Resources Malaysia, servicing our local and multinational clients, consulting and coaching leaders of all levels.

His expertise in crafting 4DX Implementation Framework can be tailored to assist business units and organizations mired in strategy and goals execution challenges.

As a 4DX consultant and implementation coach, Sathiyam infuse his consulting skills to truly enable leaders to foster focused execution culture in the teams and organizations.
