About Elan

Elan completed his Bachelors and Master's degree from the University of Otago in New Zealand in early 2009. After a brief stint in Banking, he forayed into business development where he spent the last 12 years. It is within this line where he was exposed to the training industry and grew a passion for it.

Elan joined Leadership Resources in 2022 as part of the sales team as a Client Services Manager. He transitioned to facilitation in 2023 and currently delivers Franklin Covey's core program - The 7 Habits of Highly Effective People.

Having a more down-to-earth approach, Elan brings a relaxed yet engaging style to the training room floor. He believes in unleashing the drive and desire for greater results in others through practical application of time-tested principles.

Eager to help learners both young and old achieve their potential, Elan strives towards presenting the content in a manner that touches the mind and soul of participants.
