About Morgan

Morgan Raj David has more than 27 years of working experience, predominantly in training and development arena. Morgan has developed vast experience in the full spectrum of Human Resources Development.

Morgan holds a Masters degree in Political Science from Universiti Kebangsaan Malaysia and a Bachelors degree in Social Science from University of Malaya. His experience in Human Resources includes designing, developing, and delivering training programs. He has been in the HR in various industries, ranging from security, retail, foreign bank and multinational insurance company. In addition to training, he was also involved in the recruitment & selection of Management Trainees, monitoring career progression and succession planning.

He is a certified trainer for The 7 Habits of Highly Effective programme, and obtained certification from Development Dimensions International (DDI) as Skills For An Empowered Instructor, Thomas International DISC Profiling and The 6 Seconds certification for Emotional Intelligence. In addition, Morgan is also certified by Wilson Learning International as an in-house trainer for Social Style Series.

For the past ten over years he has been facilitating behavioral, leadership, motivational and managing change. He has delivered training programs for a multinational company's staff from Indonesia and Hong Kong and also for life insurance agents. Morgan's forte is in people skills training which include Emotional Intelligence, Interpersonal & Communication, Motivational, Leadership & Team building, Customer Service and Problem Solving & Decision Making.
