

Senior Facilitator, Consultant and Executive Coach

Woo Yee Saik

With over three decades of facilitation experience, Saik brings clarity, composure, and deep insight to every learning space he holds. A trusted interpreter of leadership content, he is a Certified Master Trainer in flagship programs from FranklinCovey® and Crucial Learning®, and is frequently called upon for high-stakes engagements across industries - from finance and government to healthcare, FMCG, and infrastructure.

His facilitation style is calm, adaptive, and grounded in human connection. By creating safe and authentic spaces for reflection and dialogue, Saik delivers more than sessions—he enables lasting shifts that are quiet, profound, and deeply resonant.

These are the programs clients most often request - with Saik in mind as their facilitator - and where his sessions consistently deliver transformative results:

- **The 7 Habits of Highly Effective People®**
- **Crucial Conversations® for Mastering Dialogue**
- **Presentation Advantage™**
- **The 4 Essential Roles of Leadership™**
- **The 6 Critical Practices for Leading a Team™**
- **Crucial Conversations® for Accountability**
- **Crucial Influence™**

Areas of Expertise

- Licensed delivery of transformational leadership and communication programs
- Reflective facilitation and learning transfer design
- Navigating low-trust team dynamics and senior leadership sessions
- Mentoring internal facilitators toward delivery excellence
- Creating contextualized learning experiences with philosophical depth

What clients say about Saik Woo

"Saik doesn't just deliver a program; he has a way of grounding the group - bringing clarity and cohesion back into the space."

-Regional Talent Lead, Energy Sector
